Finding Video Content on Credo
Several titles in Credo’s total e-book list contain video content. Some title collections contain more videos and animations than others. This click through demonstration will show you how to find the video content within your Credo collection.
The easiest way to find video content is to run a keyword search.
Filter by “Media” and then by “video”
Watch the video on the Credo screen.
You can also find video content by clicking on “Advanced Search”
From 'Advanced Search' filter by video and search
Thank you!
