Brain storm any topic with the Mind Map from Credo! Find the background information you need to get started in your research and see the relationships between ideas.

The screenshot displays the Credo SOURCE interface. At the top, there is a navigation bar with the Credo logo, a search bar containing 'Socrates', and options for 'Browse SEEK', 'English', and 'Log out'. Below the navigation bar, the main content area is divided into two sections. On the left, a mind map is centered on 'Plato' (with a close button 'x') and 'Socrates'. The mind map branches out to various related concepts: Neoplatonism, Epistemology, Metaphysics, Plotinus, Logic, Cynic, Symposium, Parmenides, Stoicism, Zeno of Citium, Socratic method, Epictetus, Philosophy, Chrysippus, Aristotle, and Platonism. On the right, search results for 'Socrates' are displayed, showing 390 results. The results include snippets from 'The Classical Tradition', 'The Columbia Encyclopedia', 'Meet the Philosophers of Ancient Greece', and 'World History Encyclopedia', each providing a brief overview of Socrates and his influence.
